REPORT

[To accompany H. J. Res. 394]

The Committee on the District of Columbia, to whom was referred the joint resolution (H. J. Res. 394) to provide for the quartering, in certain public buildings in the District of Columbia, of troops participating in the inaugural ceremonies of 1953, after full consideration, report favorably thereon, with amendments, and recommend that the joint resolution as amended do pass.

The amendments are as follow:

Page 1, line 8, strike "1953, but" and insert in lieu "1953."

Page 1, line 9, strike "such" and insert in lieu "Such".

Page 1, amend the title to read as follows:

A bill to provide for quarters, in certain public buildings in the District of Columbia, for troops participating in the inaugural ceremonies of 1953.

The purpose of this resolution is to provide quarters, in certain public buildings in the District of Columbia, for troops participating in the inaugural ceremonies of 1953.

When inaugurations were held on March 4, it was possible to obtain the enactment of necessary legislation during the session of Congress beginning in January, and have ample time for the Inaugural Committee and the Metropolitan Police Department to accomplish their respective duties prior to the inauguration. However, with the date changed to January 20, it is necessary for the proposed resolution to be enacted during the current session of Congress in order to assure the completion of essential preliminaries.

O
